

SPECIAL BIPOLAR TECHNOLOGY SESSION

Sponsored by Gridtential and Advanced Battery Concepts (ABC)

Hotel Indigo Nashville, 301 Union Street Nashville, TN 37201 USA

Tuesday 5 November, 9:30 – 12:00

Item	Speaker	Time
Introduction	Matthew Raiford, CBI	09.30-09.35
Using Innovation in Lead Battery Technology	Subhas Chalasani, East Penn	09.35-10.00
GreenSeal™ Bipolar Batteries	Reed Shick, ABC	10.00-10.25
Silicon as the Substrate Material for Bipolar Lead Batteries: Learnings from Solar and Other Industries	Colin Mui, Gridtential	10.25-10.50
Coffee		
Technical Panel “The Role of Bipolar Technology in Current and Potential Applications in the Lead Battery Industry”	Matthew Raiford, CBI (moderator) Colin Mui, Gridtential Reed Shick, ABC Subhas Chalasani, East Penn	11.15-12.00
